To whom it may concern:

On behalf of A&D Music Productions, I submit this letter of support for the nomination of the 2013 Commercial Member Award for West Coast Lumberjack Shows Ltd.

Agrifair 2013 saw placement of the Community Stage, which I am in charge of, beside the West Coast Lumberjack Shows Ltd. Working with Darren and his crew was amazing! They are very accommodating with the scheduling of their show with other entertainment. They also were very good at interacting with our other entertainers and became involved with our magic show. It is very evident that they all have a “*what works best for the fair*” attitude!

“Extremely professional, highly entertaining with an abundance of energy” are some of the words I would use to describe the crew. The show they put on is always a crowd pleaser and always draws a huge crowd. Smiles and cheers are abundant as they get the crowd going with support for either performer. It is wonderful when entertainers can make their show participatory, it just makes the guest have such a good time and wanting to come back and watch over and over.

A&D Music gladly supports the nomination of 2013 Commercial Member Award to West Coast Lumberjack Shows Ltd!

Sincerely,

Asger Hansen
