

"the best little country fair!"

September 21, 2012

To whom it may concern:

On behalf of the Abbotsford Agrifair, I would enthusiastically recommend West Coast Lumberjack Shows Ltd. for your fair, festival or special event. We have had the pleasure of working with Darren & his crew many times in the past and look forward to their return very soon.

They are professional to deal with during contract negotiations and reliable in fulfilling their contract. The show they provide is family friendly, action-packed and thoroughly enjoyed by all our fair guests. It is always one of our main attractions and frequently requested to return again and again. We have never had any issues with their care of our site and clean up upon leaving. From beginning to end, contracting West Coast Lumberjack Shows Ltd. is a positive experience and a wonderful addition to your event!

We wish West Coast Lumberjack Shows Ltd. all success!

Sincerely,
