Dear Darren,

Wow!! Year one with West Coast Lumberjack Shows Ltd was very well received by guests at our Annual Fair. After a detailed survey we discovered that your show was the #1 attraction at CVEX in 2010.

It was such a pleasure working with you and your people; we brought your show back for 2011. Yes!!! Voted #1 attraction again, and a big draw to our Fair. For 2012, we are looking to "3-peat".

Very professional. Very entertaining. Thank you for all that West Coast Lumberjack Shows Ltd has added to CVEX. Looking forward to working with you again.

Cheers.
